# YOUR PARTNER IN PROFITABILITY

Discover what dealers across North America know firsthand: Smoker Craft, Inc. offers our partners the largest variety of boat models and floorplans at every price point. Our family-owned-and-operated company has a long heritage of marine experience and outstanding dealer support. Most importantly, we back our boats with the best warranties you'll find anywhere—giving your customers peace of mind and building trust and satisfaction in your dealership. If you're ready to take your business to the next level, talk to us today. We look forward to welcoming you to our family.

Our relationships with the top engine manufacturers allow you to offer your customers the brands they trust.

# HERITAGE BUILT ON INTEGRITY

Starcraft 1903 • Smoker Craft 1921 • Sylvan 1948

As one of the last surviving family-owned-and-operated boating companies, we hold tightly to the same values we were built on five generations ago—integrity, leadership and loyalty. They are deep-rooted into who we are and extend throughout our 900 team members that deliver high-quality marine products, outstanding customer service and unsurpassed value. In wake of an ever-changing industry landscape, we continue to put our heritage on the line with new lineups that are responsive to both our dealer network and today's boat buyer. It's about our commitment to you being able to depend on all Smoker Craft brands for the quality, performance and service you're looking for. It's about providing the best value on the water—from our family to yours.

# INNOVATION

Since 1903, Smoker Craft has set the pace of innovation for the rest of the industry to follow. Our bold, forward-thinking approach has brought the admiration of our peers, including Pontoon & Deckboat magazine's Pontoon Performance Innovation Award, plus NMMA awards for customer satisfaction in the fiberglass sport, aluminum fishing and pontoon segments, as well as an NMMA innovation award for the Sylvan DLZ Bar and an NMMA environmental award. And we're just getting started.

Smoker Craft and Starcraft Fishing are pushing the boundaries with an innovative hull design, the Vertex Performance Strake, which promises to redefine best-in-class performance. Not to be outdone, Starcraft Marine's new fiberglass deckboat series, the affordably fun SVX, delivers maximum on-the-water excitement with minimum horsepower. Starcraft and Sunchaser are prepared to launch their own affordable pontoon series, the Starcraft LX and Sunchaser Vista. Finally, all our pontoons are built with innovative manufacturing processes and advanced, automated tube-forming cells.

# DEALER BENEFITS

As a boat company with a firm commitment to being a partner in the success of our dealer network, serving you and your customers is our top priority. We have a long heritage of outstanding dealer support, with a commitment to great communication. Most importantly, we back our boats with the best warranties you'll find anywhere—giving your customers peace of mind and building trust and satisfaction in your dealership.

# GIVING BACK

More than a century of success does not come easily. It's the product of an outstanding workforce of over 900 employees, many of whom come from the community around us. Without their support, we would not be who we are today. That's why we're honored to return this support by giving back to countless local and regional charities. With that spirit, we're also busy advocating for the boating community and the marine industry through opportunities made possible by BoatPAC, including testifying and lobbying on Capitol Hill. Recently, Smoker Craft Inc. was honored to receive the inaugural Advocate of the Year award, presented by NMMA and BoatPAC. We're privileged to give back to the communities and industry that have given so much to us.
